

## Customized 15-day Italy Itinerary: Umbria & Tuscany

---

### Traveler Profile

#### Interests

Food and wine. Hiking and biking. Amazing scenery, exploring small towns. Local guides. No museums. This couple has been to Italy several times before.

#### Transportation

This couple is fine driving a car in Italy, and they have driven in Italy before. They like the independence of a car but also enjoy being to walk to dinner from their accommodations when possible.

#### Accommodations

A mix of luxury hotels and countryside charm. Budget is not an issue but value for money is important.

---

### A Note about this Sample Italy Itinerary

This itinerary was meticulously crafted for a couple in their 60s from New York. They are very active and wanted a hike or a bike ride on most days. That said, they told us they “have nothing to prove” so wanted to move at a slow pace and not do too many full-day excursions.

Their itinerary starts in Umbria, where they hike the Sibillini Mountains and enjoy the foodie area of Norcia. They move north to the Umbrian countryside and explore small towns and Umbria’s more famous cities of Assisi and Perugia. They then relocate just a couple of hours to the north, to southern Tuscany’s Val D’Orcia region, and they end their trip with a few days in Florence.

This Italy trip was completely customized for this couple, for this time of year.

Meticulously planned, completely custom trips: it’s what we do best here at Italy Beyond the Obvious.

## Sunday September 28<sup>th</sup>: Umbria to Tuscany

Check out of Genius Loci and head to Sinalunga, about 90 minutes away, for a 3 pm check in at the Locanda dell'Amorosa.

Recommended Stops:

- Today is Umbria's *cantine aperte* or Open Cellars day, when local wine makers open their doors to the public and describe the process. Two recommended nearby wine makers are Sportoletti and Terre Margaritelli – see addresses on confirmation page.
- In the town of Chiusi (not far from your destination of Sinalunga) it's *the Festa dell'uva e del vino*, or the grapes and wine festival, though most of the festivities and live music start in the evening. Remember if you park in town, all your luggage must be completely concealed inside the trunk so that your car appears to be completely empty.
- Visit the gardens of La Foce, possible only with a guided tour. Tours today are at 3 pm and 4.30 pm and last 50 minutes. No need to book ahead of time.

**5 pm:** Details about tomorrow's balloon flight will be available. Please check for updates at: <http://www.ballooningintuscany.com/flight-information/>

Dinner tonight is at the hotel's wonderful restaurant.

## Monday September 29<sup>th</sup>: Balloon ride and Val D'Orcia on your own

**6.30 am** Plan to meet at the Montisi launch field (allow 20-25 minutes to get there) for your shared balloon flight. Note there are no bathrooms at the launch site.

This afternoon, explore the towns of the UNESCO area of the Val D'Orcia: start with Pienza and Montepulciano (see Montepulciano lunch recommendation on summary page, and if you know you want to eat there, have the hotel call ahead to make a reservation.) Drive the small roads around Trequanda, Asciano and Sinalunga for some iconic Tuscan scenery.

**8.30 pm** You have a reservation for dinner this evening at Pizzeria Ristorante Cirifo', in Sinalunga, about 10 minutes from your hotel. This restaurant has the best pizza in the area but is also known for its pasta.

## Directions:

**Coming from Rome or Florence** on the Autostrada A1, exit at Valdichiana and turn right after paying the toll, following signs to Siena. Join the "Superstrada" and leave it at the next exit, Sinalunga, where you turn left and left again. Go under the bridge and go straight over the next roundabout, and past the AGIP petrol station to the end of the road. Turn right and immediately left, following signs to the Amorosa (a great restaurant!). After half a mile, turn left again after the bridge over the railway. Take the next main turning to the right, signed to Rigaiolo, Asciano, and Trequanda. Follow signs to Trequanda and continue to the next village, Montisi.

Here you do not go into the centre of the village, but follow the ring road (via di Circonvallazione) around and below the village. Take the left turning to Castelmuzio opposite the green rubbish bins. Follow the road down the hill for two minutes as it winds to the right and then to the left. Just before a bend to the right, look out for our hot air balloon sign on the left side of the road. Drive through the gap in the trees and park just inside the field.

**Coming from Siena**, you should take the main Siena-Perugia road (SS 326) towards Perugia and the Autostrada A1. After about 40 km, you should exit to the right and go through Sinalunga making for Montepulciano or Torrita di Siena. On the outskirts of Sinalunga, take the turning to the right marked to Rigaiolo, Asciano, and Trequanda and continue as above.

## Tuesday September 30<sup>th</sup>: Walk to lunch and shop in Chianti

Today visit the famous Chianti area, full of pretty small towns, castles and beautiful scenery. Refer to your route instructions, starting from the town of Gaiole (p 37-39), which is about an hour's drive from the Amorosa.

Lunch recommendation: Osteria Il Papavero, in Barbischio, which is about 3 hours into your hiking route.

Ceramics shopping recommendation: Rampini Ceramics (see contact page for address).

**8.30 pm** You have a dinner reservation at La Toraia in Sinalunga

## Wednesday October 1<sup>st</sup>: Hike Lake Trasimeno

Allow about 30 minutes to drive from the Amorosa for a **9 am** meeting time with hiking guide Giannermete.

Meeting point: Head to the town of Tuoro sul Trasimeno on Lake Trasimeno and meet Giannermete in the parking area of Punta Navaccia camping, which is not far from the highway. He has a green Mazda Demio. He will lead you on a ~6 hour hike over this gorgeous lake: you'll walk in the hills north of the lake with views over the lake, Tuscany, through olive groves and woods, with a lunch stop at *Lo Scoiattolo* ("The Squirrel") restaurant.

**8.30 pm** You have a dinner reservation at Forcillo in Sinalunga.

## Thursday October 2<sup>nd</sup>: Siena with private guide, Monteriggioni on your own

Check out of the Locanda dell'Amorosa and drive to Siena, about 45 minutes away, to meet your guide Stella for a two hour city tour of Siena at **10 am**. Meeting point: Basilica of San Domenico. Don't park the car: look for Stella and she will get in with you and take you to a secure parking spot given that you have your luggage with you.

After the tour and some lunch in Siena, drive to Florence, with a (highly recommended!) stop at the gorgeous walled town of Monteriggioni, right on the way.

In Florence, return your rental car and check in to your hotel. If you'd like to drop your bags at the hotel and then return the car, it's about a 25 minute walk from the car rental to your hotel.

**8.30 pm** You have a reservation at Cinghiale Bianco, a short walk from your hotel.

**This is an important notice to make your car rental a smooth experience.**

In order to provide you with the most transparent information on the price of your car rental services, we have listed on your voucher what the price paid to Auto Europe includes and what it does not include. Terms and conditions vary by country, so we have listed any local fees that you might be liable to pay to the car rental company at time of vehicle collection. These are the only mandatory fees or services you are required to pay locally to the car rental company.

The actual car rental company listed on your voucher might give you the option to purchase equipment (such as GPS unit, child safety seat, ...) , prepaid tank of gas or additional insurances. Unless they are listed as mandatory on your voucher, these items are optional and you may choose to purchase them or not. If you are unsure or require further information, you should contact us at time of vehicle pickup on our toll free number, 24 hours a day, on the number listed below (see Terms and Conditions section). Auto Europe cannot accept liability for items purchased locally.

At time of pickup, we also strongly recommend that you check that the condition of the vehicle is adequately reflected on the rental agreement and that any pre-existing damage is indicated. Should you expect to be delayed for the pickup of the vehicle, you should also contact us to ensure your vehicle can be confirmed after the scheduled timing.

It is also your responsibility to be aware of the local driving laws and local tolls or stickers required for any country you are traveling into. Again, you can call Auto Europe on our free toll number at any time for advice and assistance.

Finally, we strongly recommend that you request and review a copy of the rental agreement in English, wherever the car rental company can produce one.

We wish you safe travels and hope you enjoy your car rental.

- \* When travel is permitted outside the renting country it is the responsibility of the renter to make sure their vehicle complies with the local laws of the country in which they are travelling, this includes but is not limited to safety equipment, cross border documents, toll stickers etc.
